Commissioner for Patents

On 20 September 2006, a Final Rejection was mailed in the instant application.

A review of the file shows that an apparent typographical error was made by the USPTO in the application serial number on said Final Rejection. The Office action apparently was intended for U.S. Application Serial No. 09/507,336.

Accordingly, the Final Rejection mailed 20 September 2006 is hereby vacated. The application has been restored to an amended status and forwarded to the examiner for appropriate action.
